MAY 2007

New Manesty OEM service set-up in North America!

Manesty proudly announces that **IPR Inc.** of Bartlett, IL will now undertake all OEM service work for their tablet presses and coaters in North America.

IPR have long-standing experience of servicing, repairing and rebuilding Manesty tablet presses to the highest standards and have consistently achieved superior levels of customer satisfaction.

We offer a direct, experienced and rapid OEM service to all North American customers. This includes the following services:

- **Spare parts**
- **Service contracts**
- **Calibration**
- **Repairs**
- **Warranty work**
- **Rebuilds & Upgrades**

A large inventory of Manesty spare parts is now based within the USA and is easily accessible for our customers.

For any enquiries please contact directly:

Manesty at **1-888-868-9031**
(e-mail: servicena@manesty.com)

or

IPR at **1-888-BUY-IPR3 (1-888-289-4773)**
(e-mail: sales@iprinc.net)

In addition IPR will also provide a full **installation, commissioning and validation** service for all new Manesty equipment purchased.

We promise you an excellent service with our highly motivated team.
